

# ONE BRAND. FOUR DIVISIONS.

# MBI

M. BRASHEM, INC

#### Reliable Carbon & Graphite Solutions

A long-standing partner to steel mills, foundries, aluminum smelters, machine shops, and a wide range of molten metal and thermal applications. Delivers high-performing carbon and graphite electrodes, graphitized, graphitic, and anthracite potlining materials, and specialty graphite with transparent, quality-driven service.

Our rebrand brings greater clarity and consistency to how we show up in the market, while maintaining the distinct specialization you value in each of our businesses.

## For more than 40 years,

our divisions have operated with deep specialization and strong customer relationships. And now we'll do that in a more connected way.

### What stays the same

- ◆ Your relationships, contacts, and account teams
- ◆ Products, services, pricing, and contracts
- ◆ Division-level focus, expertise, and autonomy

### What is strengthened

- ◆ Clearer understanding of who we are and how our businesses connect
- ◆ Stronger credibility behind the M. Brashem, Inc. name
- ◆ More consistent communication and presentation across our capabilities

*Unified in purpose. Specialized in practice. Stronger as one.*
